

BARNES & NOBLE Summer Reading

FOR GRADES 1-6

Dear Educator,

This year marks the 23rd year of the Barnes & Noble Summer Reading Program celebrating the power of books to expand children's horizons. Our program is designed to reinforce learning and motivate students to continue reading throughout the summer—and earn a free book!

HERE'S HOW IT WORKS:

- Distribute the reading journal to your students.
- Students pick any eight books and read at their own pace.
- Students complete the reading journal by listing the eight books they read and describing their favorite part of each book.
- During the month of August, they redeem their completed journal for a free book from their local Barnes & Noble store.

Thank you for your support of our Summer Reading Program. We're proud to be your partner in keeping kids reading all year. Be sure to check in with us all summer long for events, special offers, and giveaways for readers of all ages!
